

1993-2013 to be continued

All photographs were made in the past 20 years. Conceptually photographs were made in medium formats  $2\frac{1}{4}\times 2\frac{1}{4}$  in. (6x6cm),  $2\frac{1}{4}\times 3\frac{1}{2}$  in. (6x9cm) and in large formats (9x12cm) and 4x5 in.

The color-photographs derived from color negatives and color slides and from digital cameras.

The digitization for this website was made by reproducing the vintage prints and by scanning from slide or negative, or by optimizing and converting the RAW-Files.
