

Italy 1988 - 2013 to be continued

All photographs were made in the past 25 years.

All pictures have been made in a plain way of classical photography without any digital retouchings or similar modifications.

All b/w negatives were exposed with ROLLEIFLEX TLR and CANON and LEICA cameras on KODAK and ILFORD film. D76/ID11 and MICRODOL X were used for developing.

The vintage-prints in b/w were produced on KODAK POLYMAX and IFORD GALERIE FB photographic papers. The colour prints were handmade on FUJI CHRYSTAL ARCHIVE paper.

The portfolio or single prints are available on demand.
